Summer Arts Camp at Emanuel Learning Center!

We're offering a new program this summer for Hispanic students — two weeks of art programming where students will explore themes of immigration and identity through mosaic making. The arts camp will take place from July 6 - July 16. One of our tutors is sharing her expertise and leading the mosaic making portion of the program.

We are reaching out to see if any of you have materials or supplies that you could donate to our program. We've been able to source most things that we need, but are still looking for:

-Round glass marbles
-Tiles (kismet, ceramic, polymer clay) - we can't use floor tiles, but if you have backsplash tiles, bathroom tiles or similar leftover from a project, that would be great. This type is ideal for our little ones whose fingers we don't want cut by broken tiles!
-Egg containers (for sorting tiles)
-Clear contact paper
-Carwash sponges

If you have any of these things lying around, or would be willing to purchase and donate, we'd of course be able to provide you with a donation receipt for tax purposes. Contact Margaret Rubiera for more info.
