

This summer, we explore these questions (among others):

- What might God have in store for this beloved community in the heart of Durham for the *next* 150 years?
- How can we respond to racism, poverty, brokenness, and injustice in Durham and beyond?
- How do we continue to build on the strong foundation of a welcoming, supportive, generous, justice-seeking, faithful community?
- What new directions might God be opening to us?
- How does our physical location, building, and parking provide opportunities for ministry with and service to the community?
- How can we improve our accessibility to the community at large?

I hope you will join with our team in one of three informational sessions at the end of July and beginning of August (see website for more information) for opportunities to explore these questions together.

Friends, it is a privilege to be among those who listen for the Holy Spirit as we discern God's vision for us of inclusive, compassionate, and joyful ministry to Durham and beyond! I am grateful to be on this journey of faithful inquiry, exploration, and visioning with you.

With much love,

Mindy
