Membership has its privileges . . .

Want to wish a church member “happy birthday” but need their contact info while on-the-go? Church members can have 24/7 access to the church’s membership directory (and online calendar) when they download the Church Life app to their smartphone. You must sign up and then download the app to have access to the contact information. Instructions on how to download and use the app are available from the tables in the foyer and narthex. Please contact Tom Bloom or Valerie McMillian in the church office if you need help getting the app to work on your smartphone. Electronic and paper copies of the church directory are also available to members, upon request.
