FROM OUR RESEARCH SUCCESS SERIES

COMMUNICATING SCIENCE: HOW AND WHY

Heather Himmelberger
Director,
SW Environmental Finance Center

Hannah Mattson
Assistant Professor,
Anthropology

Irene Salinas,
Associate Professor,
Biology

You and your research have a story to tell!
Panelists will share tips and techniques for explaining your work and getting noticed.

Moderated by Anthony Salvagno, associate director of X Studio.

Get tips on how to talk about your work, and how to work with communication professionals to get the word out.

OCT. 22 12-1 PM
