The Art & Science of Data

Register Now to attend the 2022 Art & Science of Data!

A daylong virtual event empowering the UNM community with training and information on how to **leverage institutional data resources** to understand their units and **tell their stories** more effectively.

Keynote Speaker: Dr. Timothy A. McKay, Associate Dean for Undergraduate Education, University of Michigan

Hosted by the Office of Assessment/APR and the Office of Institutional Analytics, with support from the Office of the Provost

Wednesday, **January 12**, 2022, 9:00 am to 3:00 pm

More information: Check here for additional event details. The schedule along with session abstracts will be available shortly.
