

**2017 Area 10 Conference**  
**Ringin, Reunions and Remembrances**  
**Housing and Meals**

Weatherford Hall is one of the historical dorms on the campus of OSU. It was built in 1928 as Oregon Agricultural College (now OSU) was experiencing a period of growth and optimism. Weatherford was closed in 1994 and underwent a complete renovation and refurbishment, reopening in 2004 retaining the original character of the building. The Hall is a traditional dorm with bathrooms down the hall with individually stalled showers. There are single, double and triple occupancy rooms available to meet the needs of each group. There are elevators in the building and ADA accessible washroom/dorm room facilities. Amenities include: Bed Linens and towels, wireless internet, cable television in the lounges, on-site laundry facilities and 24/7 staffing. Area 10 will be the sole occupants of this dorm for the duration of our conference.

The Link below takes you to the Oregon State Site to make your reservations for housing. The reservations work best if one person from each room makes the reservation and purchase of meal tickets. Reservations are made room by room, not as a block for a group. You will need to know contact info for both people sharing a room. To begin the process you will need to click on the double arrow button on the bottom of the page of the link below.
