

2017 Area 10 Conference
Ringling, Reunions and Remembrances
Bronze Conference Choir

The Bronze Conference Choir (BCC) will provide an opportunity for the intermediate to advanced ringer who wants a challenge and the chance to ring music they may not have the opportunity to do in their home choirs.

If you are an intermediate/advance ringer who would like to take part in the BCC you will need to apply using the Bronze Conference Choir Application. You will need to purchase the music and learn your part prior to the event. For the best experience all participants **MUST** know their position so time can be spent on making music not learning notes and rhythms.
