

2027 CONSTRUCTION EXPO & SAFETY CONFERENCE

Partner in Safety:

You are invited to submit a presentation proposal to speak at the **2027 Construction Expo and Safety Conference** on March 1 & 2 at the Drury Lane Conference Center in Oakbrook Terrace, Illinois.

The **Construction Expo and Safety Conference** attracts 1,500 attendees each year. The venue is affordable and accessible, providing multiple opportunities for education, networking, and business development. Participants return year after year to receive timely and useful guidance that will keep their employers and employees safe. Each safety session is attended by 30-50 persons.

Proposals must include:

- ☐ Name and Employer of Presenter(s)
- ☐ Mobile Telephone Number and Email Address of Presenter(s)
- ☐ Presentation Duration: **3.5 hours or 1 hour**
- ☐ Title of Presentation (*Be creative - Attract a Crowd!*)
- ☐ Presentation Abstract: 150 words maximum (*Make it Sizzle!*)

The highest consideration will be given to proposals addressing a training topic that is not only educational, but also inspirational. The **Construction Expo & Safety Conference** is renowned for providing valuable information that can be put into practice in the workplace.

Submit proposal no later than September 1, 2026 to:

Patti Romero
