

# Connecting Manufacturers with Resources!

# FAYETTE MANUFACTURING CONSORTIUM

## WHO SHOULD PARTICIPATE:

Fayette County businesses with North American Industrial Classification System (NAICS) Codes beginning with: "31," "32," and "33."

## MISSION:

Connect Fayette County manufacturers and resource partners in a forum where manufacturers can:

- *Learn about available business assistance resources to remain competitive in a global marketplace.*
- *Collaborate on enhancing local supply chains.*
- *Identify issues and share best practices (e.g., in developing a skilled workforce.)*
- *Understand upcoming trends.*
- *Heighten public awareness of the industry in Fayette County.*

## MEMBERSHIP:

There is no formal membership. Fayette County manufacturers will be invited to events as they are scheduled.

You're invited to participate in the  
**NEW Fayette Manufacturing Consortium!**

## INTRODUCTORY WEBINAR:

The event will provide a high level overview of organizations and the programs and services they can provide to Fayette County manufacturers, many at no cost.

## TOPICS TO BE INTRODUCED:

- Energy savings assessments
- Energy project grants
- Marketing
- Exporting
- Product development
- Competitive Strategy
- Financial resources
- Talent attraction/retention
- Internships
- Lean manufacturing
- Six sigma
- Training
- Quality
