Dear Heights Families,

I am excited to share with you that November's Book of the Month is Kindness Starts With You by Jacquelyn Stagg, Illustrated by T. Omaskat. The story teaches students different ways that they can show kindness to someone else. For example, they can include someone at recess, give a compliment or simply say, "Thank you." By even doing the simplest of things, children have the power to make a positive impact on someone's day as well as their own. We encourage you to talk with your child about ways they can show kindness at home and school and to celebrate them when you see them making a kind choice.

Sincerely,

*Mary E. Wood,*

Principal
