

Residency Open House

JOIN US VIRTUALLY!

Tuesday, Sept. 29
5 to 8 p.m. EST

For Fourth-year Medical Students

RUTGERS

Robert Wood Johnson
Medical School

Register Now!

**Hosted by the Office of Graduate Medical Education
and the Office of Inclusion and Diversity**

This virtual event will provide a look at the GME experience through direct interactions with faculty and residents in our community. There will be opportunities for registrants to visit individual residency programs and acquire valuable information about the application, interview, and selection processes. Underrepresented in Medicine (URmedM) students are especially encouraged to register.
