Do you have any previous tutoring experience? If so, please explain where, when and what you tutored.

Please describe what qualities you possess that would make you an effective peer tutor.

What do you believe is expected of peer tutors?

Have you ever failed an exam or experienced academic difficulty? If so, what techniques did you use to overcome this setback? If not, what do you attribute to your success?

Which modules would you like to tutor? (Check all that apply)

Block 1:	Block 2:	Block 3:	Block 4:
<input type="checkbox"/> Module 1: Biochemistry & Cell Bio	<input type="checkbox"/> Module 1: Neuroscience	<input type="checkbox"/> Module 1: Cardio	<input type="checkbox"/> Module 1: GI
<input type="checkbox"/> Module 2: Genetics	<input type="checkbox"/> Module 2: Behavioral Sci	<input type="checkbox"/> Module 2: Pulm	<input type="checkbox"/> Module 2: Hem/ Oncology
<input type="checkbox"/> Module 3 & 4: Host Defense & Micro	<input type="checkbox"/> Module 3: Dermatology	<input type="checkbox"/> Module 3: Renal	<input type="checkbox"/> Module 3: Endocrinology
	<input type="checkbox"/> Module 4: MSK		<input type="checkbox"/> Module 4: Reproduction
Other:			
<input type="checkbox"/> Study strategies/ resource use <input type="checkbox"/> Step 1 Prep <input type="checkbox"/> Step 1 study calendar development			

All tutors are required to attend a tutor training session at the start of the academic year. The session is typically scheduled in early September following a mandatory 3rd year lecture. Any additional training sessions will be offered online. Do you believe you will be able to attend the required training sessions?

Yes No

Thank you for your interest in becoming a peer tutor. Please submit your completed application to your campus Academic Success Counselor by July 31, 2020.
