To help the Task Force plan for our future gatherings, please complete this short survey. We need one survey per household or family unit. If needed, have a conversation with your spouse or significant other and any children in your family so that you can accurately reflect the needs of your household. The survey is based on the guidelines we have at this time and those may change in the coming weeks and months.

Please enter the name of the person completing this survey.

SUNDAY WORSHIP SERVICE DESCRIPTION State and Diocesan guidelines for regathering will change the way we worship for some time. Please read the following description of a worship service and then answer the next question.\*Limited number of attendees, requiring advanced registration\*Masks required or highly recommended (still being determined)\*Designated "family/household" seating areas spaced 6 feet apart in the sanctuary\*Plastic chairs that can be cleaned after each service\*Limited number of persons in bathrooms and requirements for cleaning surfaces when done\*The kitchen will be closed and water fountain turned off so there will not be a coffee hour. Consider bringing your own water bottle or coffee in a travel mug.\*All children must remain with their family unit and in the care of parents (no Sunday School)\*Limited personal contact (no hugging or shaking hands during the Peace)\*Communion will follow a detailed procedure and be limited to the sharing of hosts (no wine)\*Music will be instrumental, without public singing\*Prayers that are normally said in unison, such as the Our Father, will only be said by the Priest

✱Based on the description of a Worship Service in the previous statement, please indicate how you/your household would plan to worship.
