#MeToo *and More*

"Me Too"... are words that used to be spoken only from survivor to survivor. Now #MeToo is a *movement*. You are not alone and can share your stories and find resources for healing.

We are creating a safe space to gather together - to be "women of many and one voice."

We would love to have you join us ~

When: Saturday, April 28th, from 1:00pm to 4:00pm

Where: Church of Our Saviour
2979 Coloma Street
Placerville, CA 95667

This event is free to women in the community.

Please register by sending an email to oursaviour.placerville@gmail.com

Offered by the Healing Ministry Team, Church of Our Saviour
