

Love Columbia Classes and Coaching

Housing

- **RentWell** - Training to become an informed and preferred renter. Topics include finding a rental, working with landlords, rights and responsibilities, budgeting and credit building. The 1-hour class meets each Thursday at 3 pm for 5 rolling sessions or quarterly on a Saturday morning for all 5 sessions in one day.
- **Pre-Homeownership** - Begin the process of becoming ready to buy a home: credit building, home loan qualification and more. This one hour class is held every other month on Tuesday or Wednesday evenings. Individual housing counseling available.
- **First-Time Homebuyer Class** - Comprehensive course that covers topics such as the home buying process, financing options, credit management, and post-purchase concerns taught by experts and professionals at each stage. This 4-hour class is held every other month on Saturday mornings. Individual housing counseling available.

Financial Coaching

- ***Extra Mile Financial Coaching** - Sixteen-week program with financial incentives and accountability partnership to gain new money management skills and achieve financial goals. Participants are matched with a trained volunteer coach and meet at mutually convenient times.
- ***Credit Building Coaching** - Improve credit score through various strategies, including credit education, dispute assistance, settlement negotiation, and help connecting with local banks for products such as secured credit cards and secured loans.
- ***Budget Boost Coaching** - Create a budget, track spending, and find ways to save money.

Career and Life Coaching

- **Growth Mindset Training** - Learn how to persist through setbacks and see challenges as opportunities for growth. Gain valuable insights into emotional intelligence, communication, overcoming obstacles, and setting powerful goals. Class times vary, with no cost to attend.
- **Career Coaching** - A Career Coach assists with job search process including building a resume, writing a cover letter, providing job leads and employer connections, completing job applications and connecting you with community resources to assist with further education or training. Individual career coaching available.
