

# Healthy Families, Healthy Communities

This summer at True North VBS we are partnering with the Family-Community Resource Center (FCRC) of our neighborhood schools, with an opportunity to share items that families use every day.

Please consider bringing items to share with the FCRC:

- laundry detergent/pods
- trash bags
- shaving cream and razors
- hair brushes/combs/hair ties
- dish soap, sponges, brushes and dishwasher detergent
- any household cleaning supplies!!
- shampoo, conditioner, body wash
- toothpaste (we have a lot of toothbrushes)
- feminine products (preferably pads)
- toilet paper/paper towels/facial tissue

Teamwork makes the dream work!

In Him,

The True North VBS Staff
