Dear Resurrection Catholic School Parents,

On behalf of the community of Resurrection Catholic Parish, we would like to welcome your child to Resurrection Catholic Primary School. Thank you for giving us the opportunity to be a part of your child's educational formation. We congratulate you on your child's acceptance to our wonderful school. I look forward to walking with your children in this beautiful journey they are beginning with us, and being part of their faith. We are ready to offer your son/daughter many opportunities within our various ministries that will enrich his/her knowledge and faith.

As we look forward to this next school year, my prayer is that you will join me in thanking God for the gift of education. Please join me in praying and showing our gratitude to God for our dedicated and hard working teachers who will not only teach but minister to your children in their education. I ask you to also pray for our parish school. We are grateful to God that our enrollment continues to increase and, with your support and prayers, we will continue to build our programs and resources. We trust that God is watching over our needs. God is generous and we believe that God's grace and spirit will inspire us to build His kingdom in His vineyard of education. You are a vital part of your child's education and we look forward to your presence and participation in our school!

The faculty and I are privileged and honored that you have trusted and chosen Resurrection Catholic Primary School. I would also like to encourage you to join our parish community if you have not already done so. I am certain you will find us to be friendly, energetic and a positive faith community offering various ministries that include bible studies, adult groups and faith formation K-12. Please find a parish application in this packet and feel free to reach out with any questions.

I look forward not only to welcoming you to this outstanding school, but I also look forward to meeting you personally as we continue to build community that will allow us to serve you better.
