

DID YOU KNOW THAT 467 FAMILIES WITH CHILDREN WERE HOMELESS DURING THE 2015/2016 SCHOOL YEAR?

Homeless children tend to have difficulty in school. The CEC volunteers who go into the schools support some of these children and now the **CEC wants to expand their services** to help create stable environments so that the children and their parents can realize their potential.

Civic Engagement Committee has opportunities to help these families. The Call to Action for Housing and the Homeless works with three local agencies to help support men, women and families as they work toward self-sustainability.
