

# Homeward Bound Volunteers Needed

## Homeward Bound now has a Donation Center

(located at 549 Elk Park Drive, Unit 708, Asheville, NC 28804.) and they are looking for a team of OLLI volunteers who are willing to accept

and sort donations, organize shelves and fill order forms for case managers. They seek volunteers to work on the 1st Thursday of each month for a 11am to 1pm shift. There are some seated jobs. Last year they accepted 300 donations and moved in 170 families.

The case managers bring their client to the Donation Center so the client can pick out the household goods and furniture

they need for their apartment. It is very rewarding/humbling to witness the enthusiasm and gratefulness of the clients. They are so excited to have a place to call home.

Homeward Bound is providing OLLI members a valuable volunteer experience! This is a great opportunity that allows you to work with friends or make new ones.
