

OLLI VOLUNTEERS NEEDED FOR READ TO SUCCEED

Volunteers in Asheville City and Buncombe Co. Schools Grades K-3. Our mission is to inspire and teach children to read.

PROGRAM SPECIFICS:

- **WHY IT MATTERS:** Students who do not achieve grade level reading by third grade are four times more likely to drop-out of high school. Over 85% of the school curriculum is reading based. The ability to read is one of the most important basic foundation skills for a successful life.
- **WHEN:** We offer training for reading tutors in the Fall and Spring. Our next class begins on February 20, 2019.
- **VOLUNTEER ROLE:** Reading Tutors work one-to-one, one-two hours a week using techniques and activities to support their student's reading skills.
- **YOUR COMMITMENT:** One to two hours a week, typically during the school day, Monday-Thursday with one student for the school year. R2S is in 11 schools and 4 grade levels offering many opportunities to work with a volunteer's schedule.
- **QUALIFICATION:** The desire to give back to your community and the commitment to inspire and teach a child to read. There are no words to explain the gifts you will give and receive! Complete training and support is provided.
