Math Partnership with Asheville Housing Authority

Wednesday, October 24th, Reuter Center, Room 206
4:30 PM to 6:00 PM

Speaker:

**Dr. Sam Kaplan, Professor,
Chair, Department of Mathematics, UNC-Asheville**

Marvelous Math Club is a partnership between UNC Asheville's Math Department, Asheville Housing Authority and Asheville City Schools. Weekly Club meetings are held at Pisgah View Apartments after school on Mondays. Why do students from 20 elementary schools voluntarily meet each week to celebrate math? What impact does it have on the students? In the classroom? We look at our first year of data to assess outcomes of this partnership as well as the viability for expansion and replication of this model.
