

OLLI VOLUNTEERS NEEDED FOR

Haywood Street Congregation's Ministry to Asheville's Homeless

PROGRAM SPECIFICS:

- **WHY IT MATTERS:** Asheville juxtaposes wealth and want, with high-end restaurants and residences sitting alongside a hurting homeless population. Haywood Street Congregation offers a suite of services to Asheville's homeless, including restaurant-quality meals served twice a week at its Downtown Welcome Table, clothing, counseling services, a community garden, links to social services and much more. Above all, Haywood Street helps build dignity and hope for people who are struggling.
- **WHEN:** A wide range of volunteer opportunities, typically involving about two hours, are available most days of the week, with a strong need on Tuesdays, Wednesdays and Sundays.
- **VOLUNTEER ROLE:** Examples include food preparation and serving, helping in the clothes closet, gardening, serving as a companion to residents recovering from recent medical treatment, providing haircuts, assisting homeless artists, and helping with communications and marketing. The list goes on and on. See the website below for details.
- **YOUR COMMITMENT:** One shift, once or twice a month. More if you want.
- **QUALIFICATION:** The willingness to treat everyone with dignity, help others, make new friends and build community.
