

Please consider becoming the Pairings Event Coordinator if you are:

- well organized
- comfortable using online communication and data systems
- like working with others
- have volunteer experience

This position will require approximately 1.5 hour/week in Feb & March. April will be more likely 2 hours/week. Day-of the event, the coordinator will need to be on hand to troubleshoot and to enjoy the festival!

Pairings Event Coordinator Responsibilities include (but are not limited to):

- Work with the Fest Director to secure cheese, wine, cider and beer for the pairings.
- Work with Fest Director to recruit cheese experts to lead pairing events.
- Plan, schedule and coordinate 4 pairing events.
- Determine the number of additional volunteers needed for the pairings to be successful.
- Help media director with promoting the events.
- Evaluate the Pairing Events and make recommendations for Carolina Mountain Cheese Fest 2019.

This is our fourth annual fundraising event to support the WNC Cheese Trail. The festival will take place on **Sunday, April 29, 2018** at Highland Brewing from 12 – 5p.m. We anticipate 1200+ attendees, 30+ vendors, live music, family friendly activities, and cheese/farming-related workshops, etc.
