

A Livable Community for all ages starts and ends with a livable home.

Join AARP NC, OLLI at UNC Asheville and the RL Mace Universal Design Institute for AGING IN COMMUNITY: A FORUM ON BETTER HOME DESIGN

Do you want to live in a home that can accommodate all of life's changes?
Explore the concept and learn about local resources for aging in community
This event will feature presentations by

- Keynote address by Richard Duncan, Universal Design Institute
- Age-Friendly Community Network overview, Rebecca Chaplin, AARP
- Grassroots community organizations and systems working to create community connections in their neighborhoods
