

## **Green Opportunities Volunteer Needs**

GO has a host of volunteer opportunities for those with an interest in promoting social and economic justice in Buncombe County. Common areas of need include:

### **GED Tutors**

Help teens and adults earn their high school equivalency diploma by offering one-on-one tutoring. Textbooks and lesson plans will be provided.

### **GO Organic Community Garden**

GO has an open community garden and needs volunteers to assist with planting and maintenance tasks. If you have a love of the outdoors and a wish to develop your green thumb, this may be the perfect opportunity for you.

### **Board Membership**

GO has several vacancies on its board it wishes to fill. Candidates will need to commit 2-4 hours per month in service (meeting attendance, sub-committee and volunteering). Persons with business, legal or community organizing experience are especially encouraged to apply.

### **Committee Membership**

GO currently has openings for the Development Committee. Members are asked to devote 2-3 hours per month to assist with fundraising and marketing activities on behalf of GO.

### **Kitchen Help/Event Help**

Assist GO in its Kitchen and Catering Social Enterprise. Volunteers are needed to assist with food preparation and hospitality for special events. Hours vary by need.

### **Other**

We are open to special ideas by volunteers.
