

UNC Asheville's Total Economic Impact \$450 million

**\$450 million in annual economic impact is just the start, and
you're already a part of the equation.**

UNC Asheville's Interim Chancellor Joe Urgo invites you to a special announcement about the university's annual economic impact with a presentation by SYNEVA Research Economist Tom Tveidt.

Wednesday, January 24, at 11 a.m at the U.S. Cellular Center Banquet Hall.

Please join us to discover how UNC Asheville creates jobs, attracts visitors and new residents, and puts our education to work in the community.

Coffee begins at 10:30 a.m. with the presentation starting at 11 a.m.
