

# HAPPY TAILS

See what happy pet owners are saying about Animal Care & Welfare Inc. and meet a few of our “pawsome” pets who have found their forever homes.

“Kiwi is doing so great! She absolutely loves her new fur siblings! She was the missing piece to our family! We don’t know how we made it this long without her! She’s so sweet and cuddly, yet playful and rambunctious. She’s the perfect mix! We absolutely adore and love her! Thank you from the bottom of our hearts for allowing us to adopt this sweet little girl!”

“We are celebrating Ruby's first year of adoption with us and she turned 2!  
We love her so very much, she's the sweetest dog. 😊”

“Hi Friends! Another great year with our perfect Luka has gone by. I can’t believe it was 4 whole years ago that we came and picked him up. You know it was love at first sight for us and we’ve continued to love every single minute we get to spend with him (and spoil him). Thank you, as always, for helping this perfect doggie find his forever home and helping us find our forever best friend.”

“He’s (Rudolf) doing great! The perfect fit for our family ❤️ such a cuddle bug and definitely acts like a dog...he’s spoiled rotten just like the boys!!  
Thank you so much! We couldn’t ask for a better cat.”

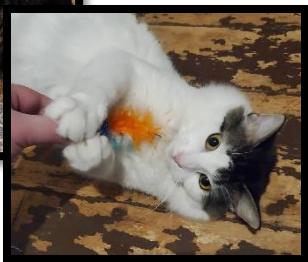

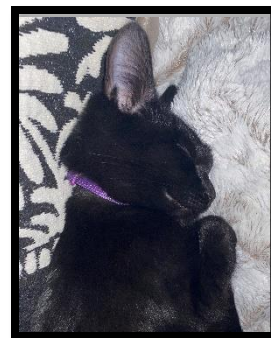

“She (Shela) loves to play, and loves, loves, loves her cat “tunnel”!...So far Shela has already brought a little extra laughter and happiness and we think she will turn out to be a great pet! She’s very affectionate, and she surely gets a lot of attention here in return!”

“Remi (Bella) is the sweetest! She LOVES to snuggle. She is super friendly, and she does really well meeting new people. I work from home (even before COVID), so she spends a lot of her day laying at my feet in the office...or jumping up on my lap for attention! She and Indy (her German Shepherd brother) get along fantastically...Remi is just an absolute sweetheart, and we are so grateful and blessed to have her as part of our family.”

“Dexter is so amazing and wonderful. We truly feel like we hit the doggie jackpot. He is absolutely perfect in every way. We can’t get enough of him, and he has added so much happiness and love into our family...No one can believe how perfect he is - equal parts lovable teddy bear, and fun and playful pup. Ahhhhh he is just so perfect.”

“She (Cinder) is doing great! Her name is now Violet. She is the cuddliest creature I have ever seen and has to constantly be touching me at all times. Wherever I go, she follows!...She is the most human-loving kitty I've ever seen and I'm so lucky to have found her!”
