

VIP (Virtual Instructional Programming)								
		Staff	PreK	Kinder	1st-2nd	3rd	4th-5th	6th-8th
Overview	*Optional for any family who is not ready to return to on-premise learning *Available in quarterly sessions, with the ability to move back to on-premise learning at the start of each quarter *Agree to VIP expectations for student and parent engagement	Three VIP Teachers will be assigned to grade level bands (K-2; 3-5; 6-8) VIP teachers are required to be licensed.	No VIP Option Available	All VIP students will be assigned to an on-premise homeroom teacher, as well as a VIP Teacher, with this learning platform.				
All students (K-8) will be assigned a gmail address to connect to Google Classroom (K-5 email capabilities will be disabled). The Google Classroom platform will be used to provide weekly activities and lessons (a one-stop resource to include assignments, links, expectations, videos, etc.) to all students. Parents will have the ability to access their child's Google Classrom, to stay informed on student engagement and accountability at the forefront.								
Academic Subject Areas and Supports	English/Language Arts	The VIP Teacher will collaborate and communicate with the homeroom teacher to ensure academic opportunities are parralel. VIP teachers will provide weekly agendas, present lessons, will check in daily with students, will communicate directly with students and families, will conduct small group and one-on-one live sessions throughout the week.	No VIP Option Available	Daily
