

WHAT'S ON YOUR BUS?

ABQRIDE 2021 ELECTRIC BUS WRAP CONTEST

Does it look futuristic? Does it have themes about energy use and conservation? Does it have a picture of the discovery of electricity?

Is it covered with robots and roses? Who knows? We want to see what **you** would say with a bus as your canvas.

The contest will run from May 15, 2021 to July 1, 2021 with a 2-day grace period.

This contest is for youth only. Prizes will be awarded in the following categories so make sure you include your age on your submission!

Categories: Under 10 years old, 11-15 years old, years old 16-18

The top 6 finalists (two from each category) will receive cash prizes of \$400 each and one overall winner will receive \$500.

After you create your bus wrap, make sure you write your name, age, and fill out the guardian / parent information. Only one entry allowed per contestant so give us your best work!

Scan this QR code below to download a template of the entry form and bus graphic.

Submit a digital entry of your final piece by taking hi-resolution picture with a camera, smart phone or scanner. If you don't have a printer **you can pick up a paper copy at any local library.** Remember, when you finish your submission, you must submit a digital entry.

No paper entries will be accepted due to COVID-19. All entries must be digital.

Send your submission to
electricbuswrap@cabq.gov

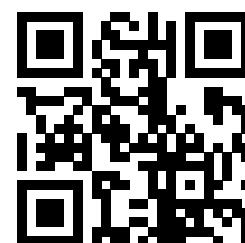

THEMES: Shrinking the Carbon Footprint • Albuquerque Protects the Environment • My Favorite Green Energy • Electrical Power Protects the Flowers • Environmental Consciousness

ABQRIDE reserves the right to digitally alter the winning submissions to format for printing and conforming the shape, style and substrate used to cover the electrical bus fleet. All winning submissions may be used whole or in parts to create the final bus designs. Prizes are not compensation for work, or purchase of submissions, they are prizes for being a finalist in the contest. Artwork will be panel judged and the winning submissions will be offered to Transit and City of Albuquerque as prospective artwork for the electric bus fleet.
