

Myra

I can see you marching proudly
this Memorial Day, May 25, 2020
carrying the rippling patriotic
American flag singing

God Bless America
at Heaven's gate

I can see you whole again
with your fingers prancing
across the piano keys

I can see you watching
and protecting us
as we reopen
Penny's Worth

I can see you talking to God
thanking him for always making
you strong no matter what

I can feel you hugging us

discerning how much

we love you back
