The Vestry of Trinity Episcopal Church met on March 10, 2025. After prayer and scripture reflection, reports were reviewed, including the Treasurer's report, which showed a positive financial position despite some over-budget expenses. Discussion covered a potential CPA audit, clarification of supply musician payments, and investigating a cash account linked to a deceased accountant. The Junior Warden reported on ongoing maintenance projects, including painting, kitchen rewiring, soundproofing, and new signage. Updates on Wi-Fi improvements and upcoming events were provided.

The Vestry discussed improving event logistics for the TOH auction and appreciation dinner. A proposal to hold Trinity Sunday worship at an outdoor location was considered. Interest was expressed in purchasing a smoker for church events, with half the funds already donated. Spanish-language services were discussed as a possibility due to the Catholic Church discontinuing them locally. The meeting closed with a prayer and blessing at 6:54 PM.
