We enter our spiritual home not to be entertained, but to be a part of a community of believers. We receive Jesus Christ in Holy Communion. As we pray, worship and serve together, we become His Body. To be truly a member of the Church as Body of Christ requires our presence and our engagement with one another -- in worship, study and service to others. We grow spiritually as a family. We cheerfully give sacrificially as we acknowledge that all we have comes from God.

May we add you to our parish email list?

## Eternal Life begins Now

"The Church is the unity of all worlds, earthly and heavenly, of angels and men, of the living and the dead. We obtain real communion with God and we participate in God's uncreated energy. God does not stay in heaven, directing history from there. He directs the world with His uncreated governing energies. We do not aim at appeasing God, but to heal ourselves, so that the vision of God becomes light for us and not fire. Furthermore, in the Church we live eternal life starting from now. We do not simply await the life to come, but we experience and enjoy it from the present. The Kingdom of God, according to the Fathers, is not life beyond the grave, but communion with God, above all, the vision of the uncreated Light."

Metropolitan Hierotheos of Nafpaktos  
*The Illness and Cure of the Soul in the Orthodox Tradition*
