

Dear Student interested in West Point,

West Point Admissions, with the New Jersey West Point Field Force and **current Cadets (cadet panel)**, is hosting an **in-person event** on **Friday, October 28, 2021, at 7:00PM** (Doors open at 6:30PM) at **Seton Hall University**, 400 South Orange Ave, South Orange, New Jersey 07079. Enter the main gate and proceed to the parking garage. Exit the garage to **Jubilee Hall**. See Map Attached.

The West Point experience is unique and focused around the four pillars of Character Development not available at any other college. Character, Academic, Physical and Military. At West Point you will learn and incorporate the ideals of loyalty, respect, integrity, courage, and honor in your daily life. *You will learn failure can make you stronger.* Going outside your comfort zone helps you grow. Character is relevant. *Grit makes the difference in success in life and never, ever quit!*

Academically, you will learn to *communicate effectively* and *think critically and creatively*. You will hear about the **all-expense paid internship programs** available **ONLY** at West Point. Would you like to spend 3 weeks working in Washington at the National Security Council? How about 3 weeks in England studying Shakespeare? West Point provides a Bachelor of Science degree in the areas of Sciences/Engineering and Humanities, having over 36 majors.

How about participation in one of the **130 Cadet Clubs** (Academic, Sports, Hobby, Military, Religious, Support)?

Did you know many graduates go on to **all-expense paid graduate school right after graduation**? Find out how West Point graduates compete for and receive so many *Rhodes, Marshall, Hertz, Olmsted, Mitchell, Truman and Fulbright Scholarships* after graduation!

Also learn about career opportunities available in 10-15 years after graduation and the benefits of an Army career not found in civilian life.

Seton Hall's Army ROTC will be present at the event for those interested in Army ROTC as a pathway to officership in the US Army.

West Point is not for everyone but if this **culture and these opportunities** appeal to you, take the chance on a once in a lifetime opportunity! Parents are welcome so they can learn about these opportunities and help support you in this process. **Don't miss this in-person event! This decision can change your life and maybe the world!**
