

Wilmington High School

Food Pantry

At Wilmington High School we are able to provide a food pantry twice a month for Wilmington High School families facing food insecurity. Here are some benefits for participating in this program:

- ★ Variety of groceries that cover all food groups
- ★ Families will have a choice with grocery items
- ★ Hygiene products available like soap, laundry detergent, and toothbrushes.

Pick up of groceries will be at Wilmington High School twice each month. Please make sure you have the resources to pick up food.
