

Faith Friends

Do you remember when you joined Emmanuel Lutheran Church?

Unless you were influenced by friends or family, you probably were a visitor who joined after experiencing our worship service and the warm welcome we are known for. We continue to add between 30 to 50 new members each year.

We are creating a special group of current members who would be willing to serve as Faith Friends to enhance the new member experience and further welcome and make our new members fully informed about all we have to offer. This is a short-term commitment and takes place if the new member(s) request a Faith Friend at the time they join the church.

It will most likely begin with meeting during the Coffee Hour before or after the new member(s) inform the Church Office that they would like to take advantage of the offer to learn more about us from a fellow member. Where it goes from there is up to how your first meeting goes.

We are looking for members who enjoy meeting new people and would like to help new members become active in our various ministries. We would only ask you to help new members attending their chosen service and you would be matched with those attending your chosen service. We will provide a brief training session and materials to interested members. If you and or your spouse or significant other are interested, please contact the Church Office and we will reach out to you.
