To the family of God at Emmanuel,

On behalf of the entire Global Mission Table, I want to thank you for your prayers and your longstanding support for global ministries. This spring, Emmanuel made donations to a variety of Global Mission Table funds, supporting work in Cuba, Haiti, Guyana, Suriname and Jamaica. Your generosity truly changes lives, and we are deeply grateful.

It is a blessing beyond measure that Emmanuel not only maintains a deep commitment to the Eglise Lutherienne d'Haiti, but also walks alongside all our synod companions in a spirit of love and shared mission. Following the accompaniment model, we engage in long term, deep relationships that span times of challenge and joy—praying together, celebrating together, mourning together, and serving together.

Should you ever have questions or wish to learn more about Global Mission, I can be reached at revkhc@gmail.com or 305.505.1656. Further, Global Mission newsletters are published three times per year in the “E-Spirit” and available on the Florida-Bahamas Synod website.

Thank you again for your partnership!

Yours in Christ,

Pastor Katie
