Your Guide.

Dear Prospective Client,

Constant tax changes over the past few years have been like waves of tsunamis. Between tax law revisions, inflation, and a potential recession, there are many reasons to partner with a trusted firm.

We specialize in:

- Rental properties
- Equity compensation
- Business reporting
- Multi-state reporting
- Military & Foreign Service
- Foreign income & tax credits
- Foreign Nationals/Non-US Citizens

We understand that life does not only happen during tax season and are available year-round for your questions and planning needs.

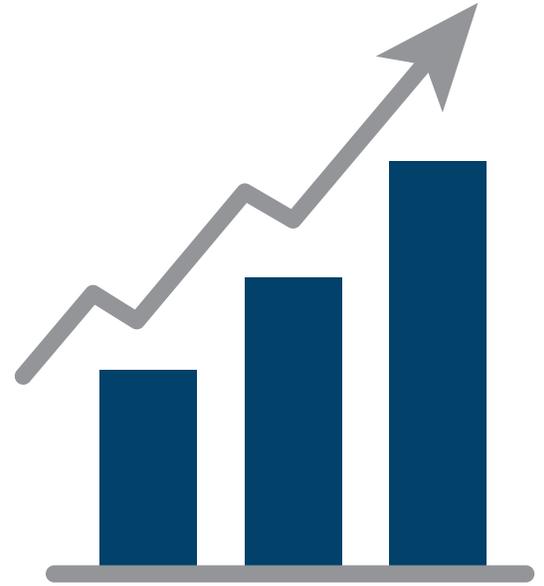

Our unique combination of skills and credentials is our biggest asset, as we provide differentiated tax services to US taxpayers who live across the US and the globe.

Professional Quality. Personal Service.

Your Plan.

Our firm offers three proactive plans for your personal financial needs.

Each plan includes your individual income tax return and access to our digital tools. Plus, you have the option to add additional services, too. You can customize your plan based on your unique position.

You are one of a kind.
Your tax solutions
should be one of a
kind, too.

Select the best plan that works for you, your family, and your budget.

If you need additional help throughout the year, simply add on to your plan using the Proactive Services list described in this portfolio.
