# Young Latino Professionals

Connecting Leaders. Impacting Communities

YLP is an organization for the professional at any stage in their career who wants to grow through community engagement, networking and professional development. We began as group of determined Latino professionals creating connections to like-minded individuals and we encorporate people of all backgrounds.

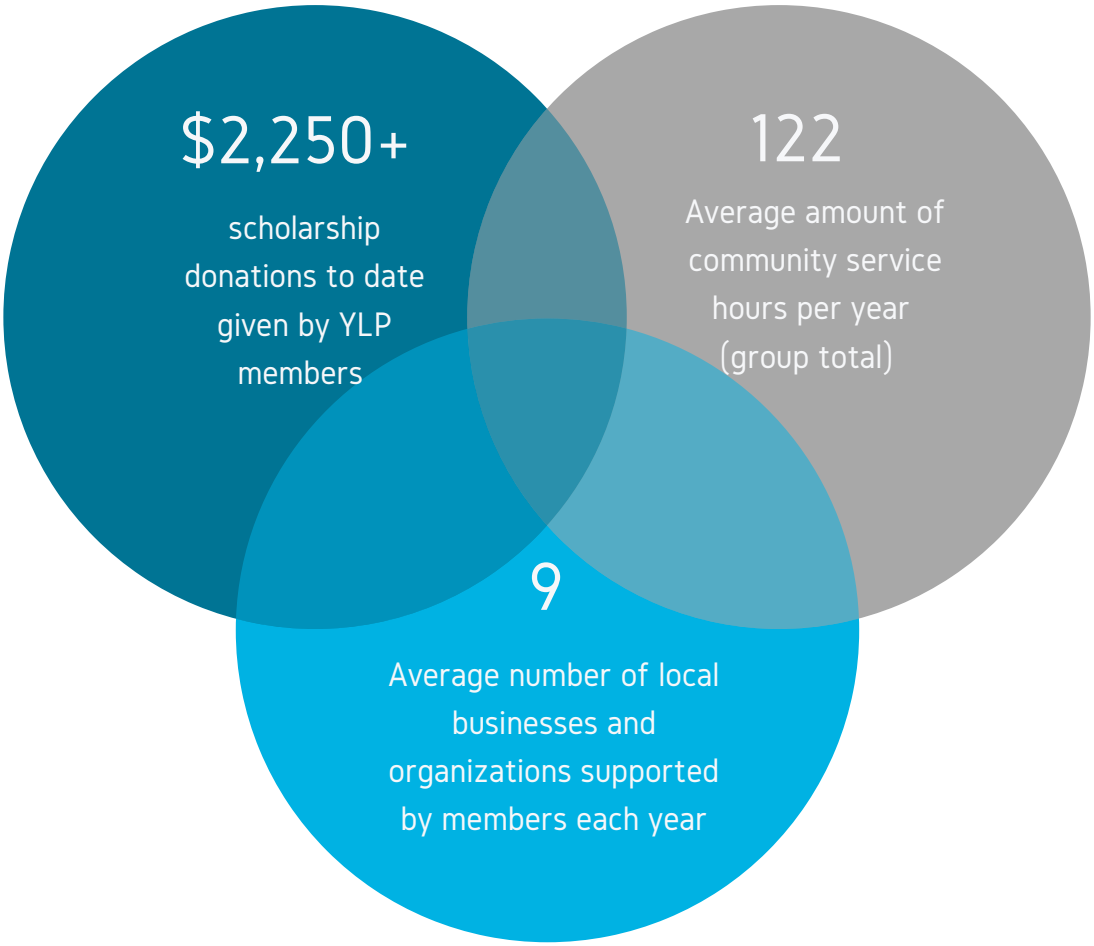

## BENEFITS

- Quarterly opportunities to enhance your network with like-minded professionals
- Active investment in Latino and Greater Kansas City youth through mentoring
- Philanthropic outreach in Greater Kansas City through community service
- Discounted access to various Hispanic Chamber of Commerce events
- Exclusive invite only access to chat with area CEOs and other executives
- Connection to Latino and other minority leaders in Missouri and Kansas
- Introduction to local Latino culture (food, societies and businesses)
- Option to promote your event to YLP members and friends (board approval required)
