

## The Contractor's Choice for...

Card Processing

Payroll Management

Growth

### Working with Simpay allows Contractors to –

- Take **any** type of card payment, immediately and from **anywhere**
- Ditch the hassle of payroll checks, deductions, reporting, all of that
- Work a job more and your desk less
- Have more time to meet prospects and sign up projects

### How?

**Simpay offers state-of-the-art wireless card readers that accept chip, stripe, or tap-n-go.** They work in the field and in real time. Money moves quickly to your account.

**And, if you wish, we take payroll off your desk.** Those hours you spend totaling time cards, calculating taxes and deductions, and worrying about changes your state or the IRS make – **all gone!** They become our headache.

**Interested in a better card processing solution or off-loading payroll?**

**Contact Bob Fiori at
