

SCHOLARSHIPS AVAILABLE!

Did you know? As an employee of our company, your dependent(s) may be eligible to apply for educational scholarships available through **the Electrical Association of Philadelphia!**

Scholarships are intended to help graduating high school students advance their educational endeavors, either at a four-year college/university or a vocational/technical school.

Your dependents (children or grandchildren) are eligible to apply if you meet the following criteria:

1. As of January 1, 2021, you have been employed for at least one year.
2. You are employed at the time awards are announced.

The Foundation is awarding up to \$28,000 in scholarship monies in 2021!

The application process opens January 5, 2021.

Applications are due March 31, 2021.
