

**To Our Restaurant Owner Friends:**

We understand what you have been going through these past few months and are happy to offer an opportunity that could be of significant benefit to your operation. Many of the investor owned utilities want to help by offering enhanced incentives for reducing your energy use.

**Learn More About This Offer, Available through August 31!**

For a limited time, your facility may qualify for up to 100% incentives when you implement energy savings solutions on:

- Refrigeration System Upgrades
- Lighting Upgrades
- Qualified Equipment Replacement
- HVAC
- Cooking Hood Controls

**MassSave Program Offerings:**

- Cape Light Compact
- Eversource Electric & Gas
- National Grid
- Until
