Instructions

1. Cut off $\frac{1}{4}$ of four cardboard craft rolls. Paint three craft rolls pink, one purple and a full-length craft roll white. Allow to dry.
2. Glue the craft rolls onto the paper plate.
3. Cut holly leaves out of the green cardstock and glue to the outside of the paper plate. Glue buttons onto the holly for the berries.
4. Place a square of orange and yellow into the craft tubes to form the flames.
