The Village at Rockville
A National Lutheran Community

July 13, 2022

Dear Friends,

Thank you for your interest in ***Playing with Faith*** Clergy Workshop at The Village at Rockville. Due to unforeseen circumstances, this event has been moved from July 20 to **August 25** from 9 a.m. to 12:30 p.m. at 9701 Veirs Dr, Rockville, Maryland.

To attend, please RSVP to rricci@thevillageatrockville.org or call 301-354-8437 by August 18. Please see program description below.

Program Description

Would you like to offer programming to older members of your congregation that connects them to their faith, community, and each other all while having fun?

Since we never lose the ability to play at any age, why not engage in ***Playing with Faith***. Learn how to help older members express their faith and create meaningful connections with others through games. This hands-on workshop will provide you with a toolkit of activities that you can adapt to use with your congregation, either in-person or virtually. These activities will:

1) allow older members of your congregation to share their faith with others in a non-threatening way and enable them to get to know each other on a deeper level.
2) teach older members of your congregation how their faith is important and needs to be shared with others in the congregation and in the community.
