Celebrating 40 Years and Honoring Alumni Impact

On October 9, 2026, the IMSA community of alumni, current and former faculty and staff, and friends of IMSA will gather to commemorate 40 years of excellence in STEM education. This memorable event will pay tribute to the contributions our alumni have made to society so far and share our vision for IMSA's future.

We expect roughly 200 leaders, entrepreneurs, educators, and trailblazers in attendance. The event will be held at the Drury Lane Theater and Events in Oakbrook Terrace.

Your participation will set you apart as an organization that values education and opportunity for Illinois youth, and demonstrates your commitment to our community. Our email distribution list includes more than 9,000 members, including those who are shaping the future of technology, scientific discovery, industry, and more.
