

# STEM FOR SIBLINGS

## AT IMSA'S FAMILY DAY

**Brain Games and Puzzle Play:** Flex your brainpower with math and science games! Whether you like solving fast or thinking slow, we have challenges for every curious mind.

**Paper Plane Showdown:** Fold, fly, compete! Design your best paper airplane and see whose creation can soar the farthest, loop the wildest, or stay in the air the longest.

**Hot Wheels Engineering Challenge:** Use tracks, loops, and jumps to engineer the ultimate Hot Wheels raceway. Test your car's speed, strength, and style while learning how angles, energy, and creativity make for the perfect run.

**3D Art and Anaglyphs:** Step into another dimension! Create your own colorful 3D anaglyph art and build special glasses to bring your designs to life. Watch your drawings pop right off the page!
