

#### HEALTHY EATING

The Summer Feeding task force collected baseline data from summer feeding sites in 2018. This data is being analyzed and will be presented in early 2019 to inform the group on ways to improve the quality of foods served.

#### DID YOU KNOW?

**87** partners celebrated implementation of **2307 PSE changes** impacting more than **68,000** Greenville residents at the first annual Wellies event in October 2018.

#### ACTIVE LIVING

- Three elementary schools that practice Open Community Use are working with LWG partners to promote the use of their outdoor rec. facilities to the public during non-school hours.
- In 2018, 1039 children participated in Park Hop, answering 5,517 clues, while reaching 22,000 on Facebook and receiving over 1000 likes.

#### AT SCHOOL

The Alliance for a Healthier Generation (AHG), LWG, & GCSD partnered to recognize 24 schools for their completion of the AHG Healthy Schools Program assessment, action plan, & application.

#### OUT OF SCHOOL

In 2018, LWG worked with 25 out of school time sites impacting over 2,400 students. These sites were offered group training opportunities and peer networking.

#### EARLY CHILDHOOD

LWG worked with 8 childcare sites impacting over 1,200 children. These sites participated in multiple group training opportunities with, over 100 participants attending the February EC Conference.

#### AT WORK

In 2018, LWG continued support for 22 worksites impacting 37,251 employees. An additional 10 worksites are participating in the LAUNCH pilot initiative for small to mid-size businesses.

#### AT WORSHIP

LWG is working with 18 faith communities, 6 of which were welcomed to At Worship in 2018. These 18 faith communities impact 5,422 individuals working to implement health promoting policies.

Thank you for all you do for LiveWell Greenville!
