

## HEALTHY EATING

The **Summer Feeding Task Force** met on April 17 to begin planning to create a baseline measure of meals being served. Sites will be surveyed as a first step in improving nutritional options in summer childcare sites.

## DID YOU KNOW?

The Sixth Annual **Park Hop** Scavenger Hunt opens May 19!

## ACTIVE LIVING

DHEC and Eat Smart Move More have been invited to host a session on **Open Use Agreements** for school principals and administrators at this year's **Summer Academy for Greenville County Schools**. Session will include a presentation on the Open Use Toolkit, and examples of Open Use policy across the state.

**AT SCHOOL**  
CSHAC (Coordinated Schools Health Advisory Council) agreed to include in their Action Plan: Create a policy of not using physical activity as a form of punishment, and not using food as a reward.

**OUT OF SCHOOL**  
CATCH Training is scheduled for May 31 to assist agencies in preparing for Summer Camp. The goal of the training is to build skills to include more physical activity and nutrition education in camps.

### EARLY CHILDHOOD

Last networking of the year is scheduled for April 19. Pilot sites will be repeating the EPAO and Go-NAPSACC assessments in late spring.

### AT WORK

The workgroup is set to approve the timeline for 2018-2019 networkings.

SCHA and LWG are beginning the renewal process for selected work sites.

### AT WORSHIP

Next **networking** is planned for May 5 and will focus on the resource matrix and goal setting.

**Pastor's Breakfast** is planned for May 30, hosted Herb Edwards at Shady Grove Baptist.
