

## Building a Culture of *Health* in Greenville County

### HEALTHY EATING

LiveWell welcomes Wanda Hunt as SNAP Incentives Champion, working with LiveWell through December to raise awareness about the Healthy Bucks program, South Carolina's SNAP Incentive's program. Through community outreach, Wanda is working to educate people about Healthy Bucks and circulate a petition in support of the program. ### ACTIVE LIVING

During the last LW at Worship Networking session, the Open Community Use Task Force surveyed congregations to gather information about onsite outdoor recreational spaces available at churches. Of the twelve congregations who completed the survey, eight shared that they have outdoor recreational spaces that are open for community use.

#### At Worship

The LiveWell at Worship Hispanic Cohort pilot welcomes Pastor Manuel Izquierda and Jesus El Rey Asamblea de Dios.

#### Convene

The strategic planning process, in conjunction with Tufts University, had a very successful start with participation from 20 representatives across multiple sectors of the community.

#### Support

LiveWell staff are offering technical assistance and training to other communities interested in coalition building and more. Check out our website for more details.

#### Evaluate

LiveWell staff are participating in a process evaluation in order to assess LiveWell's impact as a coalition working to connect, convene, facilitate, support and evaluate.

#### AT WORK

Please save the date for the upcoming 2020 LiveWell At Work Forums:  
Jan. 23: financial wellbeing  
Mar. 12: mental wellbeing  
May 7 and Nov 15: Topics TBD
