Competition Pool Shutdown Accommodations

Due to the Competition Pool shutdown from April 22nd - May 12th we have identified and secured other alternative options for your swimming needs in the Original Pool and other fitness alternatives for working out here at the WCC that are included in your membership! Additionally, the YMCA of Central Massachusetts has generously offered to open their locations to our Members at no cost. All you would need to do is present your WCC Membership Card & a valid ID to gain access to their pools during the shutdown period. Please visit our Member Services Desk or website for more information regarding the shutdown.
