

A.W. Beattie Career Center

Student Material Pick-Up Instructions

We appreciate the patience and understanding of all our students and families during these trying times. Safety of everyone is our foremost thought. All students will be required to follow the following guidelines during their scheduled pick-up times.

Student Guidelines:

1. Please arrive during the days assigned for your grade level and by last name of the alphabet.
2. All students must bring a mask and wear the mask on the Career Center property.
3. All students must practice social distancing and follow all directions as given by the Career Center staff.
4. For the safety of everyone, any items not picked up by students will be discarded in the trash.
5. For any student that is not able to pick-up their belongings because they feel sick, have a temperature at or above 100.4, or have been around someone that has been ill in the last 14 days, please send an email with your name and phone number to info@beattietech.com.
6. Please return any textbooks and materials that belong to the Career Center when you pick-up your belongings. – Much Appreciated.

Pick-up Directions: Staff members greeting students will be wearing masks and gloves.
